Les Misérables

Podcast

You are an investigative reporter with the underground radio station, “LeVoice.” Your boss has received a tip that an older man living with a young woman on the outskirts of Paris is someone different than who he claims to be.

You have interviewed many people and have pieced together what you believe is a true account of the man’s life to the present day (approximately page 247).

Your report will be in the form of a 1-2 minute podcast script that you will type up and record on **Friday, May 3**. Your podcast will be published to our class site.

Important

1. Be sure to follow Valjean’s life throughout his various stages.
2. Include at least two made up “quotes” from people you’ve interviewed.
3. Type up a clean, final draft of your podcast script.
4. Practice speaking your piece, and time yourself. I will not accept reports that are shorter than 1 minute.
5. Include details that indicate you have a thorough and accurate picture of Valjean’s (and Cosette’s) life. Do not make up any details that would conflict with the book version.
6. You may work with one other person, as long as each of your
